

SHUT DOWN GOVERNMENT SACHS

#ReclaimOurSchools | #DumpDeVos | #ResistTrump

Donald Trump's presidency will be a giveaway to oligarchs and one-percenters, if we don't resist. His appointees from Goldman Sachs extracted fortunes from workers and our communities. His would-be secretary of education, billionaire Betsy DeVos, wants to privatize and sell our schools to corporations.

Starting January 17, community activists are camping out in front of Goldman Sachs to demonstrate that the people will resist this corporate takeover of our government. We're mobilizing to support the encampment and to tell our representatives in Albany and Washington that students, families and educators demand:

- ▶ Resistance to the DeVos appointment & Trump's education agenda
- ▶ State and federal taxes to make the rich pay their share
- ▶ More public funding for schools!

WHEN: THURSDAY, JANUARY 19, 12 PM
