

Resolution in Support of NY Caring Majority Campaign

Whereas we must ensure that all seniors and people with disabilities have access to dignified home and community-based care; and

Whereas we must ensure that all home care workers make a living wage, earn overtime pay and hold dignified jobs; and

Whereas we must provide real relief to family caregivers attending to disabled, aged or sick loved ones; and

Whereas the NY Caring Majority is a movement of seniors, people with disabilities, family caregivers, and domestic and home care workers from across the state committed to advocate for the above objectives; therefore be it

Resolved that the PSC endorse the NY Caring Majority campaign.
