

## **PSC Resolution in Support of Fordham Faculty United Contract Campaign**

1 Whereas Fordham University contingent faculty members voted overwhelmingly  
2 for union representation in November 2017, after more than a year of organizing,

3 Whereas their union, Fordham Faculty United (affiliated with SEIU Local 200  
4 United), representing approximately 800 non-tenure-track faculty members (a  
5 number of whom are also PSC members), is now bargaining for its first contract,

6 Whereas Fordham Faculty United seeks living-wage salaries and multi-year  
7 contracts for contingent faculty pay at Fordham,

8 Whereas the PSC has also made a priority of winning multi-year contracts, and  
9 continues to campaign for a transformative pay increase for CUNY's contingent  
10 faculty members,

11 Whereas cross-campus and cross-title solidarity makes us all stronger,

12 *Be it resolved* that the PSC declares its solidarity with the FFU's effort to win a  
13 strong contract, and encourages its members to support the FFU's contract  
14 campaign by joining FFU's public contract campaign actions.
