

The Executive Council recommends the following resolution to the Delegate Assembly:

In the New York State Democratic primary for president of the United States, currently scheduled to be held on April 28, the PSC endorses Senator Bernie Sanders for his progressive agenda on higher education, in particular, and on broader issues that represent the interests of our members, CUNY students, and working people, such as climate change, economic inequality, union protections, health care, and immigration. While we endorse Senator Sanders in the Democratic primary, we recognize the imperative of defeating President Trump, and therefore pledge to support the Democratic nominee in the general election, and to urge the nominee to embrace the progressive agenda that Bernie Sanders promotes.
