(d) In the event the illness continues beyond the approved leave period, Foundation will continue health insurance coverage to the extent of one additional month of coverage during disability for each two full years of service.

*POSITION
RETENTION*

(e) During the extended period described in (d) above, Foundation may at its discretion provide for the retention of the employee's position. Upon availability for return to work, such employee will be considered for available positions for which the employee is qualified.

8.11

In any calendar year, military leave shall be granted where required on the basis of two weeks with full pay with the remainder on annual leave, to the extent available, or leave without pay.

8.12
FOUNDATION HOLIDAYS

Employees shall receive seventeen paid holidays during each fiscal year, including five (5) unscheduled paid holidays. Management shall distribute a list of the scheduled holidays prior to 1 July of each year covered by this Agreement. Employees may use unscheduled holidays at any time during the year subject to advance approval, but unscheduled holidays must be used in the year earned.

If an employee is absent on the scheduled workday before and/or the scheduled workday after a holiday, the Foundation may deny pay for such a holiday if documentation of illness is requested and not furnished.

8.13
LIST OF SCHEDULED
HOLIDAYS

The scheduled holidays will be: Columbus Day, Thanksgiving Day and the day after, Christmas (two days), New Year's (two days), Martin Luther King, Jr.'s Birthday, Presidents Day, Memorial Day, Independence Day, and Labor Day.

HOLIDAYS

If an employee is on leave without pay both the day before and the day after a holiday, or terminates the day before a holiday which is not the last day of work in the employee's pay period, he/she is not

If there is insufficient unused annual leave, the day shall be deducted from the employee's final paycheck.

8.17
OVERTIME

Foundation shall determine the necessity for overtime work. Overtime shall be voluntary except in emergencies. There shall be no discrimination against any employee who declines to voluntarily work overtime. 8.19
COMPENSATORY TIME

For all Saturday, Sunday and holiday work at Foundation central office, covered employees in salary categories VI through VII shall receive compensatory time for all hours worked. Such compensatory time shall be scheduled by the employee's immediate supervisor to be taken as time off by the employee within two (2) weeks of the date on which the hours were worked. Employees in all salary categories who voluntarily participate in an employee development activity requiring attendance at a meeting, seminar, class, etc., outside the regular workday or on a day when Foundation is normally closed, will receive no additional pay or time off as compensation. Article 10

BENEFITS

10.1
FRINGE BENEFITS POLICY

The fundamental policy of Foundation on employee benefits is set forth in Policy Statement 507-G, BENEFIT PROGRAMS FOR ALL RESEARCH FOUNDATION PROJECT EMPLOYEES and 508-J, RETIRED EMPLOYEES BENEFITS PROGRAM. These policies, as revised on January 1, 2014 and May 31, 2017 respectively, shall apply to covered employees for the duration of this Agreement. Included in the fringe benefits detailed in these policies are health, dental, vision, long-term disability, and life insurance policies and the TIAA-CREF retirement annuity program. NOTE: The revised Policy No. 508-H changes the minimum age of eligibility for RF benefits incidental to retirement (i.e., lifetime health insurance; cash payout) from 55 years of age to 62 years of age for employees hired on or after January 1, 2014.

10.2
HEALTH, DENTAL AND
OPTICAL INSURANCE

Employees included in this Agreement may enroll in any one of the health insurance plans offered by Foundation. Determination of eligibility and specific benefits are made solely by Foundation.

The parties to this Agreement recognize that specific terms of benefits programs are subject to change during the life of the Agreement. The Foundation shall provide the PSC with an opportunity to consult prior to making any such changes.

Foundation shall reimburse each employee up to \$250 for each covered individual per year for "reimbursable" dental expenses, such as dental check-ups, cleaning, and repairs incurred by the employee and/or her/his family members covered under the health insurance plan provided by this agreement. This benefit shall not include reimbursement for cosmetic procedures, such as teeth whitening. The \$250 cannot be carried over from one year to the next.

The cap on vision coverage shall be \$200 every two years.

Covered employees will contribute to the cost of their health care premiums as follows:

For employees who participate in the EPO, PPO or POS Plan:

21% effective January 1, 2015.

Foundation and PSC agree there shall be no increase in covered employees' percentage contributions to the cost of health care premiums without prior agreement between PSC and Foundation for

the duration of this Agreement.

10.3
LIFE INSURANCE

All employees shall receive double their salary, up to \$300,000, in life insurance coverage under the Foundation's Group Life Insurance Plan. This benefit is paid for by the Foundation.

10.4
LONG-TERM DISABILITY
INSURANCE

After an initial year of service, employees are eligible to participate in Foundation's Long-term Disability Insurance Plan at no cost to the employee.

10.5
RETIREMENT ANNUITY

For employees in Tier I (employment started before 1 October 1995) Foundation contributes 11% of the first \$16,500 of earnings during the calendar year and 14% of earnings over \$16,500. For employees in Tier II (employment started on or after 1 October 1995 but before November 7, 2002), Foundation contributes 8% for the first seven (7) years and 10% thereafter and the employee contributes 3% each year. For employees in Tier III (employment started on or after November 7, 2002) Foundation contributes 8% for the second through seventh year and 10% thereafter provided the employee completes three (3) years of eligible service (i.e., completion of the vesting period). The employee contributes 3% each year after completion of the vesting period.

For employees in Tier IV (employment started on or after January 1, 2009), there is a one-year waiting period to participate in the pension plan. After the employee enrolls in the plan (at the end of the one-year waiting period), the Foundation contributes 8% of the employee's earnings from the 2nd through the 7th year of service (as defined in the Plan) and 10% of the employee's earnings thereafter. The employer contribution for each year is allocated to the plan in a lump sum as soon as practicable after the final payroll for that year. Employees are fully vested in their employer contributions after three (3) years of service. (The one-year waiting period counts toward this vesting requirement.)

10.6
NOTIFICATION TO
BENEFICIARIES IN EVENT OF
DEATH

When a covered employee dies, Foundation shall notify the employee's estate in writing, at the decedent's last official address, of accrued annual leave and other survivor entitlements earned by the employee and how claims may be initiated for such entitlements. In addition, Foundation shall promptly notify TIAA/CREF and request that it communicate with the beneficiary designated in TIAA/CREF's records.

10.7
TUITION REIMBURSEMENT

Foundation employees covered by this Agreement who meet the qualifications of Section 10.8 below will be reimbursed for the college tuition costs, but no other costs, of courses and degree programs which enhance their professional development, up to the limits specified in Section 10.9. Reimbursement will be made for 1) courses which are part of a degree program if the employee is a matriculated student completing a first degree at a given level or 2) courses which are job related and for which the employee's supervisor has given advance approval.

10.8
QUALIFICATIONS FOR
TUITION REIMBURSEMENT

To qualify for tuition reimbursement, a covered employee must be working full-time for Foundation prior to the first day of classes and continue in Foundation employment through the last day of scheduled college examinations. The employee must present originals of the bursar’s receipt and a registrar’s grade report to the Office of Employment Policy & Practice before reimbursement is made.

10.9
LIMITS OF TUITION
REIMBURSEMENT

Employees qualified under Section 10.8 above will be reimbursed up to the current City University of New York tuition rates, according to the following schedule:

COURSE LEVEL	REIMBURSEMENT LIMITS

10.10
HEALTH INSURANCE WAIVER

Covered employees eligible for health insurance may enroll in the opt-out waiver plan if currently enrolled in a non-RFCUNY health insurance plan. To qualify for the waiver, employees must provide proof of alternate health insurance coverage. Medicare, Medicaid, Affordable Care Act Marketplace Exchanges, or other government-issued insurance do not qualify for the opt-out funds.

Full-time employees employed for at least 90 days who show proof of alternate individual coverage shall be eligible for a \$1500 individual waiver benefit by declining health insurance coverage.

Full-time employees employed for at least 90 days who show proof of alternate parent and child, employee and spouse, or family coverage shall be eligible for a \$2000 waiver benefit by declining health insurance coverage.

Article 11

EVALUATION OF EMPLOYEES

11.1
EVALUATION

All employees of the Foundation who are covered by this Agreement will have an evaluation conference with the director/manager of the department and/or supervisor designated by the director/manager. At the conference a written evaluation, in a format designed by the Foundation, will be reviewed and discussed. The written evaluation shall contain a review of the employee’s total performance of current responsibilities and duties, attitude, initiative and dependability. Following this conference, a copy of the evaluation will be placed in

the employee's personnel file. A copy of the evaluation will be given to the employee within ten (10) working days following the conference.

11.2
PROBATION FOR NEWLY
HIRED EMPLOYEES
COVERED BY THIS
AGREEMENT

For all newly hired employees covered by this Agreement there will be a probationary period during which the employee may be terminated with or without cause and Foundation has no obligation to provide him/her with reasons. In salary grades I through V the probationary period will be six (6) months of continuous service, and in grades above V, the probationary period will be twelve (12) months of continuous service. For employees hired on or after January 1, 2014 in a salary grade V position, the probationary period will be nine (9) months of continuous service. For employees hired on or after January 1, 2018, written performance evaluations shall be performed mid-way through the respective probationary period.

11.3
PROMOTIONS AND
TRANSFERS

A promotion or transfer initiated by a covered employee who has completed his/her probationary period shall be made without any probationary period in the new position. The promoted or transferred employee surrenders all rights to the position previously held. Although Foundation may initiate disciplinary action at any time, it shall not terminate a promoted or transferred employee for inadequate work performance for a period of six months from the effective date of the new appointment, but the employee may be reassigned to his/her previously held position due to unsatisfactory performance in the new position during the six months following the effective date of the new appointment. Reassignment to the previously held position will be solely a management decision.

Article 12

PERSONNEL FILES

12.1
EMPLOYEE PERSONNEL FILE

A copy of any document relating to an employee's job performance shall be furnished to the employee. No materials shall be placed in the employee's file until the employee has been given the opportunity to read the contents and attach any comments he/she may desire. Each such document shall be signed by the employee before it is placed in the file as evidence of his/her having read such document. This signing shall not be deemed to be approval by the employee of the contents of such document. If the file copy is not signed by the employee, such copy shall be placed in the file with the following notation affixed:

"This document was presented to the employee on _____ and the employee declined to sign same as of that date."

It is understood and agreed by the parties that only documents which have relevance to the employment of a member of the bargaining unit shall be placed in the employee's personnel file. Upon request, the employee will be given the opportunity to inspect his/her file.

12.2
CONFIDENTIAL
INFORMATION

Information received as a result of pre-employment inquiries or information received from former employers to determine an applicant's suitability for a position will be placed in the employee's

file but will be designated as confidential, sealed, and made available only to authorized Foundation management personnel. Such information will not be furnished to the employee.

Foundation shall not release any information concerning a covered employee without the covered employee's written authorization except to the extent required by law. Foundation shall notify affected covered employees prior to the release of such information to the extent that such disclosure is permitted by law.

12.3
EMPLOYEE MEDICAL
RECORDS

Medical records (which do not include time and leave records) of a covered employee shall be kept confidential except as required by law.

Within Foundation, a covered employee's medical records may be disclosed only to the covered employee's manager or supervisor and to anyone above the employee's manager or supervisor in Foundation's organizational chart. Even then such information may be disclosed only when it may be pertinent to the employee's ability to perform his/her duties. The Foundation shall notify a covered employee prior to such disclosure.

In circumstances where disclosure of a covered employee's medical records to a person or entity not employed by or affiliated with Foundation is required by law, Foundation shall notify the employee prior to disclosure to the extent that such notification is permitted by law.

Medical records and past medical conditions that bear no relevance to a covered employee's ability to perform his/her duties shall not be used as the basis for any employment decision.

Article 13

DISCIPLINARY ACTIONS

13.1
TYPES OF BEHAVIOR
SUBJECT TO DISCIPLINARY
ACTIONS

Two types of behavior may lead to disciplinary action under the terms of this Agreement: unsatisfactory performance and misconduct.

13.1(a)
UNSATISFACTORY
PERFORMANCE

Unsatisfactory performance is defined for the purposes of this Agreement as the failure to meet general performance requirements including, but not limited to: 1) regular attendance; 2) attention to duty; 3) efficiency; 4) competence; and 5) following directions of supervisors as well as the specific requirements of a position as outlined in the job description.

13.1(b)
MISCONDUCT IN THE
WORKPLACE

Misconduct in the workplace is defined for the purposes of this Agreement as any conduct inappropriate to the workplace, including, but not limited to: 1) conduct which interferes with the effective, efficient, and safe operation of Foundation; 2) conduct prohibited by law; 3) conduct prohibited by Foundation policy; 4) sexual harassment; 5) dishonesty; 6) damaging Foundation property; 7) abusive behavior or conduct that is threatening or offensive to others; and 8) any other behavior or conduct unbecoming a member of Foundation's staff.

13.1(c)
MISCONDUCT OUTSIDE THE
WORKPLACE

Misconduct outside the workplace which does not affect Foundation's business will not be a basis for discipline. However, if the misconduct does affect Foundation's business or reputation, renders the employee unable to appear for work or unable to perform his/her duties, or if the Foundation reasonably believes that the employee is a danger or threat to persons or property of Foundation or is engaged in acts contrary to the interests of Foundation, then the employee will be subject to disciplinary action.

13.2
TYPES OF DISCIPLINARY
ACTION

Progressive discipline may include any or all of the following sanctions: warning, reprimand, suspension without pay, and termination. Management may omit one or more steps in the progressive disciplinary process depending on the seriousness of the behavior in question. Formal discipline is defined as suspension or termination in cases involving misconduct to which the disciplinary procedures in Section 13.6 are applicable.

13.3
RIGHT TO GRIEVE

All disciplinary sanctions except warnings for unsatisfactory performance are grievable under the provisions of Article 15. Warnings for unsatisfactory performance as defined in Section 13.1(a) are not grievable and, upon the Union or the employee's request, will be removed from the employee's personnel record 12 months after the date of the warning, provided that there has been no repetition of the conduct giving rise to the warning.

13.4
NOTIFICATION TO PSC

Whenever Foundation issues a written notification of disciplinary action to an employee, it shall immediately send a copy of the notice to the PSC's Director of Contract Administration or his/her designee.

13.5
SUSPENSIONS

Foundation may suspend an employee for unsatisfactory performance or for misconduct for up to two weeks. Suspensions for misconduct of more than two weeks are permitted without invoking the formal disciplinary proceedings of Section 13.6 only if the Foundation determines that the continuing presence of the employee at the work site presents a substantial threat to other employees, to Foundation's assets, or to the effective operation of Foundation's activities. Foundation will advise PSC's Director of Contract Administration or his/her designee immediately of such action. Such suspension will be without prejudice in the process of attempting to establish just cause.

13.6
 FORMAL DISCIPLINARY
 PROCEDURES FOR
 MISCONDUCT-BASED
 DISCIPLINARY SUSPENSIONS
 AND TERMINATIONS

Except as specifically provided in Section 13.5 above, before the Foundation suspends or terminates an employee for misconduct, the employee shall be afforded an opportunity to be heard in accordance with the following procedure:

Disciplinary proceedings shall be initiated by the President of the Research Foundation, or his/her designee, by service of a written notice of intent to prefer charges upon the employee and the PSC, which shall state the proposed charges against the employee, and the proposed penalty.

Within seven (7) working days of service of the written notice of intent to prefer charges, a meeting shall be conducted by the President or his/her designee, with the employee, who may be accompanied by a PSC representative to discuss the notice, the preferred charges, the proposed penalty and the basis of the charges.

Within three (3) working days of the meeting, the President or his/her designee shall either a) withdraw the notice of intent to prefer charges or b) prefer charges; including the penalty.

The employee may appeal the charges and the penalty in accordance with Article 15.6 Procedures for Complaint, Grievance and Arbitration, Step 2.

Article 14

TERMINATIONS

14.1
 TERMINATIONS

Termination from Foundation shall be for one of the following reasons: 1) voluntary, that is, resignation; 2) involuntary, for just cause as specified in detail in Article 13 above; 3) involuntary, by elimination of positions for budgetary or re-organizational reasons; 4) involuntary, through reductions in workforce following a Board of Directors declaration.

14.2
 ORDER OF INVOLUNTARY
 TERMINATIONS

Involuntary terminations other than for just cause shall be made in order of bargaining unit seniority among covered employees in the same job title in the same department so that those with the least such seniority are the first to be terminated.

14.3 PRIOR NOTICE AND SEVERANCE PAY	Covered employees hired before January 1, 2014 past their probationary period who are involuntarily terminated other than for just cause shall be given prior notice and severance pay according to the schedule below, based on their length of service in full years. Foundation may convert all or part of the prior notice to severance pay at its discretion.		
SERVICE	NOTICE	PAY	
less than 1 year	2 weeks	2 weeks	
1 year	2 weeks	3 weeks	

2 years	3 weeks	4 weeks
3 years	4 weeks	5 weeks
4 years	5 weeks	6 weeks
5 years	7 weeks	8 weeks
6 years or more	7 weeks	3 weeks pay plus one week pay for each full service year
Maximums (reached at 13 years)	7 weeks	16 weeks pay

Covered employees hired on or after January 1, 2014 past their probationary period who are involuntarily terminated other than for just cause shall be given two (2) weeks' notice pay or pay in lieu thereof, plus one (1) week of severance pay for every one (1) year of completed service with a maximum total payment of twelve (12) weeks' pay (maximum reached at ten (10) years of completed service).

14.4
PAYOUT OF SICK LEAVE
ACCRUALS

Employees who were hired prior to October 1, 1995 who resign or whose employment is terminated for other than just cause are entitled to partial payment for accrued sick leave. Employees who were hired on or after October 1, 1995 are entitled to partial payment for accrued sick leave if their employment is terminated for other than just cause, but not if they resign. Payment shall be made according to the following schedule:

CATEGORY	PAYABLE ACCRUAL	UPPER LIMIT OF PAYMENT
Less than 10 years service	Half of accrued sick leave in excess of 70 hours per calendar year	Maximum payout of 80 days
Ten or more years service	Half of accrued sick leave	Maximum payout of 80 days

14.5
NON-DUPLICATION OF
SEPARATION ALLOWANCES

Separation allowances (termination pay, payable portion of sick leave accruals, or annual leave accruals, and prior notice converted to termination pay) shall be paid only once to any employee for the same service.

14.6
INFORMATION ABOUT
SEPARATED EMPLOYEES

Once an employee has separated from Foundation, except as required by law, every request for information about the employee will be referred to the Director of Employment Policy & Practice, who will release information only at the request of the former employee. At the time of termination all covered employees shall receive the EMPLOYMENT VERIFICATION RELEASE FORM. Foundation will abide by the employee's wishes as recorded on the form or as subsequently modified by the employee.

14.7
REDUCTIONS IN
WORKFORCE

Foundation is committed in principle to the continued employment, to whatever extent possible, of covered permanent, full-time staff. Should Foundation be forced to reduce the workforce, Foundation will apply the following criteria:

1. Foundation agrees in principle to reduce non-salary costs as much as feasible before discharging covered employees.

2. To the extent practicable, Foundation agrees to the concept of terminating part-time and temporary employees before covered employees. Any decision to terminate covered employees while continuing to employ a temporary or part-time worker will be based on non-interchangeability of skills and/or on special departmental needs in terms of workload.

3. Foundation shall provide notice to PSC not less than thirty (30) days before the effective date of the planned reduction in force and shall meet with PSC to explain the need for the planned reduction in force.

14.8
PREFERENTIAL REHIRING

In cases of involuntary termination, other than for just cause, Foundation shall make a reasonable effort to place the terminated employee in another position within Foundation central office for which he/she is qualified. When it is not possible to effect such a reassignment, the name of any such person shall be placed on a preferential rehiring list in order of seniority at the Foundation central office to fill vacancies for a position in his/her title and function, which may arise for a period of three years and shall be given right of first refusal.

14.9
JOB ABANDONMENT

An employee will be deemed to have abandoned his job if the employee is absent from the workplace for three or more consecutive days without prior approval or notification. Foundation shall notify the employee in writing, by certified mail, return receipt requested, that the employee has abandoned his/her job. An appeal to the determination of job abandonment may be made in writing, accompanied by the appropriate documentation, to the President of Foundation or his/her designee. If it is determined by the President or his/her designee that the employee has not abandoned the position, then the employee will be returned to active status and all benefits to which he/she is entitled will be restored. If the appeal is denied, the employee may challenge the decision pursuant to Article 15 of this Agreement.

Article 15

PROCEDURES FOR COMPLAINT, GRIEVANCE, AND ARBITRATION

15.1
INTENT

Foundation and PSC agree to make their best effort to encourage prompt and informal resolution of complaints and grievances which may arise between PSC, the employees covered by the Agreement and Foundation management. They also agree that the procedures and processes set forth in this article shall constitute the sole avenue for resolving complaints and grievances.

15.2
DEFINITIONS AND
DISTINCTION

A complaint is an informal claim by a covered employee, or PSC chapter as a whole, of improper or unfair treatment. Complaints are processed through the informal procedure discussed in Section 15.3 below.

A grievance is a formal charge by PSC on behalf of a covered employee, or on its own behalf, that there has been a breach, misinterpretation of, or improper application of a term of this Agreement.

A complaint may become a grievance when informal resolution fails.

15.3
INFORMAL PROCEDURES
FOR HANDLING COMPLAINTS

A complaint is initiated when a covered employee raises the issue with a PSC representative. The complaint may then be presented by PSC to the employee's supervisor, provided the supervisor is not a member of the bargaining unit, or to the next immediate supervisor excluded from the bargaining unit. Settlement, withdrawal, or disposition of the complaint will not constitute a precedent in the settlement of similar complaints or grievances.

15.4
FORMAL PROCEDURE FOR
HANDLING GRIEVANCES

Any grievance not presented within the time limits specified herein shall be deemed waived. Grievances may be filed only by PSC on its own behalf or on behalf of a covered employee or a group of covered employees. A grievance cannot be filed by an employee on his or her own behalf. Grievances must be presented in writing, and must set forth the violation that is the basis therefore, including a designation of the article of the Agreement or policy relied upon and the remedy requested.

A grievance filed on behalf of a group of covered employees may be initiated at Step 2 of the Grievance procedure.

15.5
STEP 1 IN THE FORMAL
PROCEDURE

PSC shall present the grievance to the employee's next immediate supervisor not in the bargaining unit not later than thirty (30) calendar days after the date the employee became aware or should have become aware of the facts upon which the grievance is based. Such supervisor shall take such steps as he/she may deem necessary for the proper disposition of the grievance. Such disposition shall be in writing and be made by the end of the tenth (10th) working day following the date of submission of the grievance. The aggrieved employee shall be afforded the opportunity to be present at any hearing on the grievance before the supervisor.

15.6
STEP 2 IN THE FORMAL
PROCEDURE

An appeal may be taken from a Step 1 decision. Any such appeal must be presented in writing by PSC to the President or his/her designee within fifteen (15) working days after receipt by PSC of the Step 1 decision. The President or his/her designee shall meet with PSC for a hearing and review of the grievance within ten (10) working days after the notice of appeal is received and shall render a written decision thereon by the end of the fifteenth (15th) working day after his/her final meeting with PSC. The aggrieved employee shall be afforded the opportunity to be present at the hearing on the grievance at this step.

For group grievances initiated at Step 2, the President or his/her designee shall meet with PSC to discuss the grievance within twenty (20) working days of the receipt of the grievance and shall render a written decision thereon by the end of the twentieth (20th) working day after his/her final meeting with PSC.

15.7
STEP 3 - ARBITRATION

If a grievance as herein defined has not earlier been settled or if the Step 2 disposition has not been issued within the time limits set forth herein, PSC, not later than the end of the fifteenth (15th) working day following receipt by PSC of the Step 2 decision or the last day for the mailing thereof, may demand arbitration by serving a written demand therefore by Certified Mail, Return Receipt Requested, directed to the President and the American Arbitration Association (AAA). Arbitration shall be conducted in accordance with the laws of the State of New York and the Rules of AAA.

The parties will designate an arbitrator or arbitrators from lists supplied by the AAA to serve during the term of this Agreement. The arbitrator shall be authorized at any time during the course of the proceedings, on the basis of the proceedings held to date, to issue preliminary or interim awards. The decision or award of the arbitrator shall be binding and conclusive on PSC, Foundation and the employee(s) affected thereby and each agrees to abide by the decision or award and any judgment or order confirming same. The costs of arbitration shall be borne equally by Foundation and PSC. Expenses of witnesses shall be borne by the party who calls the witness.

The arbitrator's power and jurisdiction to arbitrate and decide a grievance shall be limited to controversies regarding the meaning of provisions of the Agreement and he/she shall have no authority or jurisdiction to change, amend, modify, supplement or otherwise alter in any respect whatsoever the Agreement or any provision thereof. The arbitrator shall confine himself/herself strictly to the facts and evidence adduced at the hearing and the terms of the Agreement.

N.B. Any decision not appealed from one step to the next step within fifteen working days of such decision shall be considered settled on the basis of the last decision, and not subject to further appeal or reconsideration.

Article 16

PROMOTIONAL OPPORTUNITIES AND TRANSFERS

16.1
NOTICE OF VACANT
POSITIONS

Foundation central office employees shall be notified of all vacancies at the central office for permanent full-time positions by means of vacancy announcements posted five (5) days before the appearance of the public advertisement. Vacancy announcements will include the department and salary grade for the position and remain posted without a closing date until prime candidates have been selected, except that when a vacancy is posted but not advertised outside Foundation central office, a closing date of not less than ten (10) working days from date of posting may be specified. Foundation central office employees will be afforded the opportunity to apply for all vacancies and are encouraged to do so.

Prior to posting notices of vacancies for covered positions, Foundation will notify representatives of PSC of the number of vacant positions. All such postings will be based on job descriptions and a copy sent to the PSC.

16.2
CONSIDERATION FOR JOB
OPENINGS

Covered employees shall be given preferential consideration over other applicants for covered Foundation central office job openings where, in the judgment of management, the applicants have equal qualifications and/or equal potential for successful performance.

If more than one qualified covered employee applies for an opening and Foundation determines that the position will be awarded to one of those candidates, the most qualified shall be awarded the position. If there are no significant differences in skills, qualifications and experience, Foundation will award the position to the applicant with the most seniority.

When a covered applicant is not selected to fill a vacancy, Foundation will advise the employee in writing of the reason(s) the employee was not selected for the position. Foundation will also provide the employee with suggestions for enhancing advancement potential.

There shall be no right to resort to grievance procedure or arbitration with respect to a covered employee's unsuccessful application for an excluded position.

16.3
TRAINING

Upon request, Foundation will inform an employee of the minimum qualifications for a job to which the employee may aspire, including education, work experience, skills, and personal characteristics. Such information and/or advice is in no way to be interpreted as a commitment regarding future promotional opportunities. Where in the judgment of management it is feasible, an employee will be afforded a promotional opportunity through on-the-job training. Where training is required as a result of technological changes, Foundation shall make its best effort to provide adequate training during the employee's regularly assigned work schedule.

16.4
PROMOTIONAL INCREASES

If an employee is selected to fill a job opening involving a salary grade increase, he/she will be promoted immediately to the grade level for the opening and receive an increase of seven percent (7%) of the minimum salary for the grade. However, the amount of the increase shall not be less than the greater of \$1,000 or the amount that which would bring the employee to the minimum salary for the new grade.

In the event that a covered employee's position is reclassified into a higher salary grade, the employee shall receive an increase of seven percent (7%) of the minimum salary for the new grade. However, the amount of the increase shall not be less than the greater of \$1,000 or the amount which would bring the employee to the minimum salary for the new grade.

16.5
TRANSFERS DEFINED

TRANSFER is defined as any permanent reassignment of an employee from a covered position which has been eliminated to a covered vacant or newly-created covered position for which the employee has not applied.

Job descriptions for newly created covered titles to which transfer is being made shall be provided to the PSC within ninety (90) working

days of the transfer into title.

16.6
NOTIFICATION TO PSC

Foundation will notify PSC five (5) working days in advance of the effective date of a transfer.

16.7
RETENTION OF RIGHTS

Transfer is a permanent change of work assignment and does not extend or reinitiate any probationary period. A probationary period already in effect may be extended to its natural term. Transfer in no way reduces or alters the rights of a covered employee under this Agreement.

16.8
SALARY ADJUSTMENTS IN
TRANSFERS

Transfers may be made to a position in any salary grade, however the salary of an employee shall not be reduced by transfer. A salary adjustment must be made to bring the employee into the appropriate higher bracket whenever transfer occurs to a position with a higher grade, and when transfers are made to a higher level of responsibility within the same grade a salary adjustment—determined by Foundation—may be made.

Employees temporarily assigned to work in a position having a higher salary grade shall, during the time they are assigned to work in such position, be paid at a rate equal to the minimum salary for the higher grade or at a rate equal to seven percent (7%) of the minimum salary of the higher grade added to their existing salary, whichever is greater.

16.9
TRANSFER-RELATED
TRAINING

Foundation will provide appropriate training when a transferred employee lacks a significant qualification or skill required for the new position.

16.10
NON-POSTING OF
POSITIONS FOR TRANSFER

Foundation will not post a position to which it intends to transfer an employee whose position is being eliminated and will not solicit or accept applications for the position. Members of the bargaining unit will forego the customary promotional opportunity covered by the earlier Sections 16.1 to 16.4 of this article.

Article 17

OCCUPATIONAL SAFETY AND HEALTH

17.1
OCCUPATIONAL SAFETY AND
HEALTH

PSC and Foundation agree that disputes which may arise between them shall be settled without resort to strike or lockout. Foundation agrees that it will not lock out any or all of its employees during the term of this Agreement and PSC agrees, on behalf of itself and its membership, that there shall be no strikes, sit-downs, slowdowns or employee demonstrations or any other organized or concerted interference with the operations of Foundation during the term of this Agreement.

Article 20

DURATION OF AGREEMENT

20.1
DURATION

This Agreement shall become effective January 1, 2023 upon ratification by Foundation's Board of Directors and by the covered employees and execution by the parties, and shall expire on October 31, 2027.
