CHAPTER MEETING

THURSDAY, SEPTEMBER 19

1:30-3:15 P.M.

(lunch & socializing 1:30-2, meeting 2-3:15)

B-503

Aftershocks of the cyber-attack—and the continuing shock of **austerity**. A discussion of the technological state of the college. What key challenges are we (still) facing? How can we address them?

Takeaways from the mass meeting on the contract for **#apeoplescuny & bargaining**. What are our key contractual priorities as a campus, and how can we work toward achieving them?

There will be lunch, so we'd appreciate an RSVP to help us ballpark the quantity.
