

## Resolution to Keep Up Pressure to Reinstate the Fired Four

Submitted by Mobina Hashmi for the 12/18/25 DA meeting

4 Whereas in June 2025, Brooklyn College administration overrode faculty judgment in personnel  
5 matters to non-reappoint four adjunct faculty members for Fall 2025;

7 Whereas the Fired Four have consequently faced challenges in finding employment at CUNY despite  
8 excellent teaching records and one of the four has, in an unprecedented move, been barred from all  
9 employment at CUNY before their grievance is concluded;

11 Whereas the Delegate Assembly unanimously passed a [resolution](#) in June 2025 condemning CUNY  
12 administration's actions and pledging the full support of the PSC for the fight to reinstate the Fired  
13 Four:

15 Whereas PSC rank-and-file members and elected leadership alike have organized widespread  
16 support for the fight to reinstate the Fired Four including from the AAUP, CUNY University Faculty  
17 Senate, union members, students, community members, and elected representatives:

18  
19 Whereas, the election of Zohran Mamdani as the Mayor of New York City heralds a significant shift in  
20 a progressive direction for New York City and promises leadership that understands and fights for the  
21 mission of CUNY as the people's university and that stands in solidarity with workers;

22  
23 Whereas the CUNY administration has repeatedly chosen political expediency over the best interests  
24 of the university, its students, and its workers:

25  
26 Be it resolved that, given this new era for New York- and the potential it opens for CUNY- we  
27 authorize the central leadership of the PSC to convey to the Mayor-elect this body's full and ongoing  
28 solidarity with the Fired Four and, to communicate our sense of the urgency of correcting the harm  
29 done to them before the start of the Spring semester.
