
The CUNY Alliance to Defend Higher Education (CADHE) wants to meet you!

Concerned about **limits on academic freedom**?

Wondering why CUNY Central isn't speaking out about the **suppression of learning and academic research** in Florida, Texas, Indiana, and elsewhere?

Worried about the **erosion of shared governance**?

We're holding an open zoom meeting to share our achievements and talk about our plans for Spring 2026 and beyond.

And we want to welcome those interested in joining us.

Monday February 23rd, 6:30pm
